RE: Youth Mentoring/Educational Programs

Dear Marsha:

Speaking for both myself and the outstanding men and women of the Washoe County Sheriff's Office, we are pleased to make the enclosed commitment of funds to the start-up of your organization's Youth Mentoring/Educational Program. In addition to these funds, the agency has notified our employees of the program and encouraged our staff to become involved in this outreach program as a part of our agency's commitment to reach out to the community in a pro-active effort to establish the trust upon which effective law enforcement programs are based.

We look forward to working with the Society in maintaining the positive relationship between the agency and the community it serves in advancing our mutual efforts to insure that the dream of Doctor King becomes reality.

Sincerely,  
CHUCK ALLEN, SHERIFF
