## PRESIDENT'S MESSAGE

I am your newest President, KaPreace Young, and I am excited to be leading you! My hope is to continue on with the Legacy of past NNBCAS Presidents, while also making a way for young people. Now is the time for us to come together like we never have before. I believe in generational learning, and in order to do so, we must continue to have conversations and learn from one another, young to wise. I appreciate your support thus far and I hope to build stronger relationships and partnership with each one of you!
